

# IRS Section 179 TAX RELIEF for 2016

## RE: NEW & REFURBISHED

### DIAGNOSTIC & THERAPEUTIC MEDICAL EQUIPMENT

**IF you missed out on the 2015 TAX BREAK; don't delay again as the 2016 TAX SAVING OPPORTUNITY starts working for you right now!!** Treasury & IRS Issue Depreciation Regulations for 2016. So that we might help with your immediate medical equipment needs, take a moment to look over this list and simply ✓ the items that are on your short-term shopping list. What objection would you have for the IRS helping to pay for your medical equipment right now, and you get to reap the medical and financial reward? The Jobs and Growth Tax Act of 2010 (signed 0932732010) **increased first year section 179 expensing of qualified medical equipment!** This means that you can deduct 100% of the first \$25,000 in medical equipment placed into service right now, this year! **Reg.1525-49-003, TD 91-46.**
